

ALCOHOL-FREE HAND SANITIZER

- **Natural Ingredients**

Purgo AF is an FDA registered hand sanitizer. The AF stands for alcohol free--yes, a hand sanitizer that works, and won't dry out your hands. And because it's alcohol free, Purgo AF is non-toxic, non-flammable, and cannot be abused intentionally or accidentally.

- **Non-Hazardous**

- **Non-Toxic**

Purgo AF kills more than 99.99% of illness-causing germs, making it the perfect tool to protect from harmful bacteria and viruses.

- **Skin Conditioners**

Purgo has enough benzalkonium chloride, a safe and highly effective antiseptic, to get the job done. Add to that a short list of all-natural ingredients that will leave your hands conditioned and you have a safer, more pleasant way to keep germs at bay. And it's also smells great.

- **Spray, Foam, or Wipe**

- **Fresh Lemon Scent**

- **Alcohol Free**

Purgo is non-skin irritating and can be used many times between hand washings. Purgo AF is also compatible with latex, nitrile, and vinyl gloves.

- **No Dyes**

- **Essential Oils**

Purgo AF is so safe it comes with a triple-zero HMIS score, so you don't need to worry about how you store the product, which you can for up to three years. In fact, all EMS products carry a 0-0-0 HMIS score, require no PPE and are non-regulated by the U.S. Department of Transportation and the Canadian TDG.

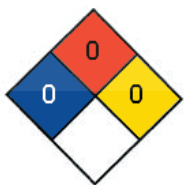

- **Non-Flammable**

- **Will Not Dry Skin**

- **No sticky, slimey, or greasy feel**

Purgo AF Hand Sanitizer, as part of a comprehensive program, can help your organization maintain a safe and hygienic environment without the use of dangerous chemicals. Ask your EMS distributors about Purgo Antimicrobial Cleaner to help keep surfaces decontaminated.

KILLS MORE THAN 99.99% OF ILLNESS CAUSING GERMS*

*Kills 99.99% of common germs that cause illness.

Technical Data

BIODEGRADABLE: Yes/100%
FORM: Liquid
ODOR: Mild lemon scent
COLD STABILITY: 32° F
DETERGENCY: Excellent
PHOSPHATES: None
WETTING ABILITY: Excellent

FLAMMABILITY: Non-Flammable
BOILING POINT: 212°F
SOLUBILITY IN WATER: 100%
VOCs: None
VOLATILE BY VOLUME: N/A
CARCINOGENS: None
SHELF LIFE: 3 Years

Common Uses

EMS Purgo AF is a liquid that can be used in a variety of ways.

Pump Spray

Trigger Spray

Foaming Pump

Pour Spout

Wipes

Contact your local EMS Distributor for more details.

DOT STATEMENT

Non-D.O.T. Regulated/Non-D.O.T. Hazardous
EXEMPT as per 49 CFR 173.154(d) (1) <6.25 mmpy

D. O. T. classifies a material to be corrosive and hazardous if it has a corrosion rate that exceeds 6.25 mmpy on SAE C1020 carbon steel or 7075- Y6 Aluminum.

Dilution Specification

Purgo AF is ready to use. Do not dilute.

Toxicity Studies

Toxicity Limits: Test Procedure OECD 202, 48 hr. LC 50 and LD 50 (rat oral); NON-TOXIC

Mutagenicity Limits: OECD Guidelines Sec. 471 Chemicals: NON-MUTAGENIC

Dermal Irritation & Corrosion

A modified Draize method was used as described in OECD Guidelines for the Testing of Chemicals Sec. 404 and complies with the requirements of OECD Principles of GLP, Annex revised as of July 1992.

Purgo AF is classified as a "Non-Skin Irritant".

Biodegradation & Aquatic Safety

Test Procedure: Hach Reactor Digestion method for Waste Water and Sea Water. Hach Reactor Digestion Method is a semi-micro adaptation of the Standard Methods.

Purgo AF is 100% Biodegradable.
